

CURRICULUM VITAE

Jorge Marques de Toledo Camargo received a BS (1976) in geology from Universidade de Brasília, Brazil, and a MA (1983) in geophysics from University of Texas at Austin, USA.

He joined Petrobras in 1976 where he served in several technical and managerial positions in the Exploration Department, including the Superintendency of the Exploration District of the Potiguar Basin, from 1989 to 1992.

From January 1993 until 1997 he served as Managing Director of PETROBRAS U.K. Ltd., a London based subsidiary of Petrobras International S.A. - BRASPETRO. This company is involved in exploration and production in the United Kingdom Continental Shelf and also in providing crude oil and derivatives market intelligence services for its parent company Petróleo Brasileiro S.A.-PETROBRAS

In January 1998, he was appointed Director of Petrobras International S.A. - BRASPETRO with responsibilities for Exploration and Production. BRASPETRO is the international subsidiary of PETROBRAS with upstream activities in twelve countries.

In May 1999, he was appointed Vice-President of Petrobras International S.A. – BRASPETRO.

In September 1999, he was appointed President of Petrobras International S.A.
– BRASPETRO.

In April 2000, he was appointed to the Board of Directors of Petroleo Brasileiro S.A. – PETROBRAS with responsibility over its International Area.
